

### Subpart E—Use of Lump Sum Grants

#### § 84.80 Conditions for use of Lump Sum (fixed price or fixed amount) grants.

(a) Heads of awarding activities (HAAs) shall determine and publish the funding arrangement for award programs having a published program regulation or Notice of Funding Availability. For other awards, discretion may be provided to Grant Officers to determine the funding arrangement on a transaction basis. In such cases, Grant Officers shall document the basis for selection of the funding arrangement in the negotiation record. Appropriate consideration to fixed amount (lump sum) awards shall be made if one or more of the following conditions are present:

(1) The HUD funding amount is definitely less than the total actual cost of the project.

(2) The HUD funding amount does not exceed \$100,000 or the small purchase threshold fixed at 41 U.S.C. 403 (11), whichever is greater.

(3) The project scope is very specific and adequate cost, historical, or unit pricing data is available to establish a fixed amount award with assurance that the recipient will realize no increment above actual cost.

(b) [Reserved]

#### § 84.81 Definition.

(a) A lump sum award is an award for a predetermined amount, as set forth in the grant agreement, which amount does not vary with the amount of the recipient's actual incurred costs. Under this type of award, HUD does not pay the recipient for its incurred costs but rather for completing certain defined events in the work or achievement of some other well-defined milestone. Some of the ways in which the grant amount may be paid are, but are not limited to:

(1) In several partial payments, the amount of each agreed upon in advance, and the "milestone" or event triggering the payment also agreed upon in advance, and set forth in the grant;

(2) On a unit price basis, for a defined unit or units (such as a housing coun-

selling unit), at a defined price or prices, agreed to in advance of performance of the grant and set forth in the grant; or,

(3) In one payment at grant completion.

(b) The key distinction between a lump sum and a cost reimbursement grant is the lack of a direct relationship between the costs incurred by the recipient and the amount paid by HUD in the lump sum arrangement.

#### § 84.82 Provisions applicable only to lump sum grants.

In addition to the provisions of this subpart E, subparts A and B of this part apply to lump sum grants.

(a) *Financial and program management.* Paragraphs (b) through (e) of this section prescribe standards for financial management systems, methods for making payments, budget revision approvals, and making audits.

(b) *Standards for financial management systems.* (1) Records that identify adequately the source and application of funds for federally-sponsored activities are required. These records shall contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, outlays, income and interest.

(2) Effective control over and accountability for all funds, property and other assets are required. Recipients shall adequately safeguard all such assets and assure they are used solely for authorized purposes.

(3) Comparison of outlays with budget amounts for each award is required. Whenever appropriate, financial information should be related to performance and unit cost data.

(4) Where HUD guarantees or insures the repayment of money borrowed by the recipient, HUD, at its discretion, may require adequate bonding and insurance if the bonding and insurance requirements of the recipient are not deemed adequate to protect the interest of the Federal Government.

(5) HUD may require adequate fidelity bond coverage where the recipient lacks sufficient coverage to protect the Federal Government's interest.

(6) Where bonds are required in the situations described above, the bonds
